- Capability to download and install an app
- Access to the wireless network

SIRIUSXM BREW SETUP PROCESS

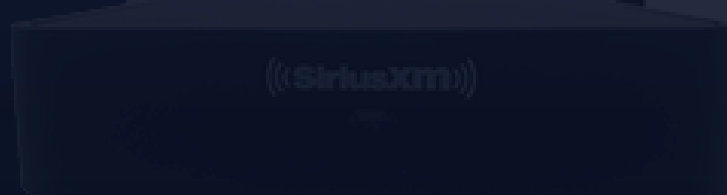

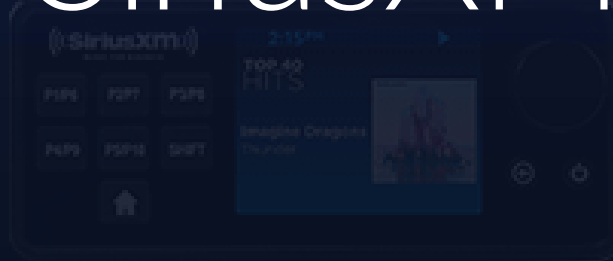

Four Easy Steps to SiriusXM Music in Your Business

Step 1

Download the
SiriusXM Business Control App

Download and Install the SiriusXM Controller App

The SiriusXM Business Controller App allows you to control the player from your phone.

Step-by-Step

1. From your mobile device, navigate to the App Store or Google Play.

2. Search using the phrase, “SiriusXM Business Control App”
3. Look for the app icon that says, “Music for Business”
4. Download and install the app to your mobile device.

Make sure you get the app that says, “Music For Business”

Step 2

Make Connections and Update Software

Make Connections and Update Software

Step-by-Step

1. **Connect the Power Cable.** One end to the back of the player, the other end into the wall outlet.

- **Light will turn white.** This means the player is powered on but not yet connected to a network.

2. **Connect the RCA cable** to the red and white inputs on the player. Connect the other end to your audio amplifier.

Make Connections and Update Software (continued)

- 3. Connect the Ethernet cable.** One end to the LAN port on the player, and the other end to your network switch or router.
- 4. The BREW will automatically begin the software update process** as soon as it connects to your wired network.
 - **The light will turn blue** to indicate a successful network connection.
 - **The player will reboot**
 - **The light will turn red and flash** as player installs the newest software.
 - **The Light will turn blue** when update is complete.

**Blue Light =
Player Connected to
Network**

**Red Flashing Light =
Software Update in
Process**

**Blue Light =
Software Update
Complete**

Step 3

Launch App and Locate Player

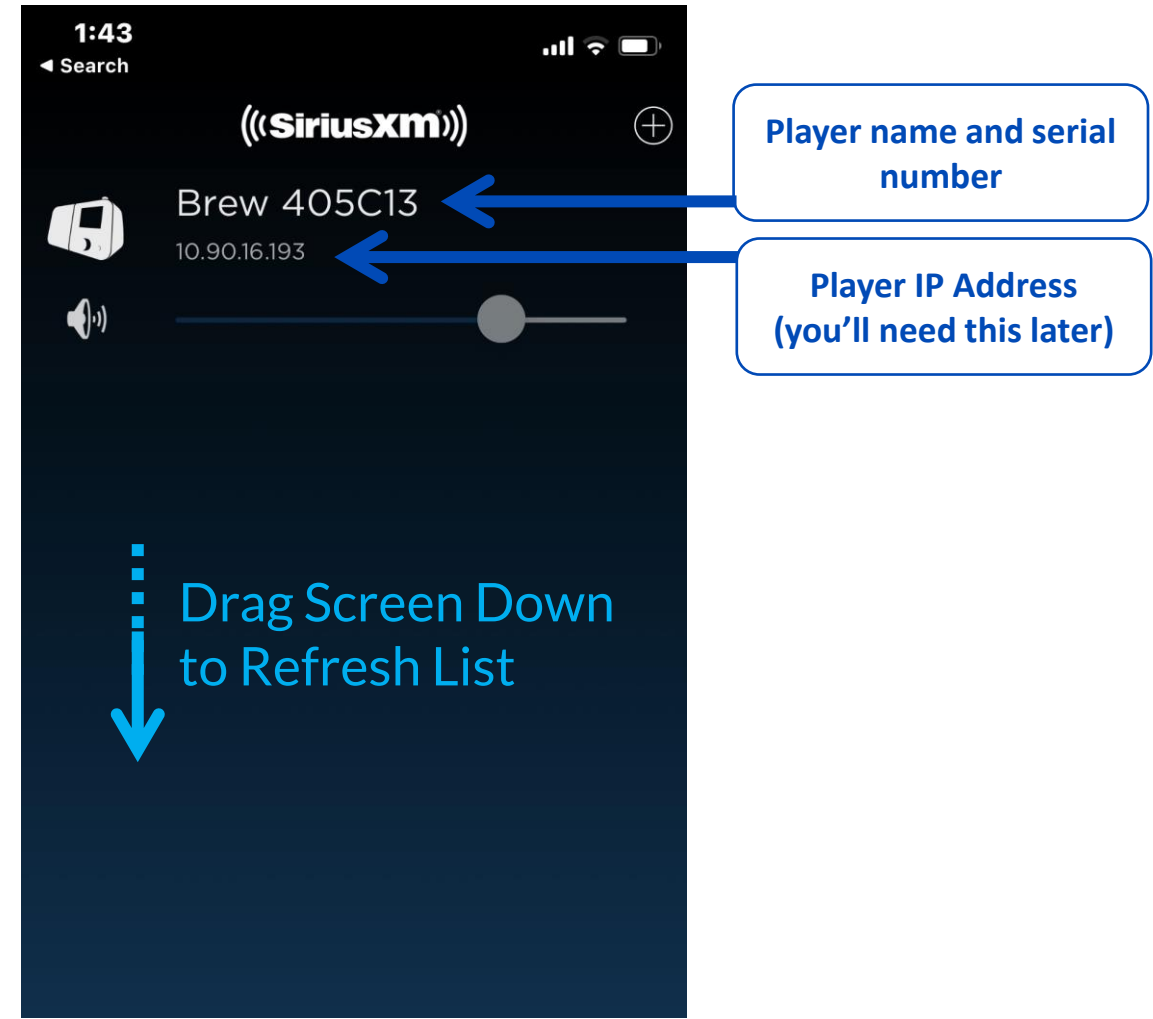

Launch App and Locate Player

Step-by-Step

1. Launch the SiriusXM Controller App and locate the player.

- The player should display automatically
- **If the player doesn't display,**
 - **drag down app screen to refresh, and**
 - **Make sure**
 - **Wi-Fi is turned on, and**
 - **You are connected to the wireless network the player is physically connected to**

6. Contact Dynamic Media Customer Care at 800-684-7050

The screenshot shows the Dynamic Media Support Center website. The header includes the Dynamic Media logo, a 'HELP' link, and navigation links for 'Home', 'Shop', and 'Contact'. The main content area is titled 'SiriusXM SXBREW' and features a search bar. Below the title, there is a section titled 'How can we help?' with the product name 'SiriusXM SXBREW' and model number 'Model #: SXBREW'. A product image of the SiriusXM SXBREW device is shown on the right. Below this, there are three tabs: 'Getting Started' (selected), 'Technical Documents', and 'Music'. Under the 'Getting Started' tab, there is a list of links: '> How to Enter Your SiriusXM Username and Password', '> SXBREW User Guide', '> SXBREW QuickStart Guide', '> SXBREW Computer Access Guide', and '> SiriusXM Scheduling Portal'. At the bottom right, there is a 'Chat with Sales' button.
